INTRODUCTION

STYLE & DARING – Dufour thinks out the cruising codes.

For more than 40 years, Dufour Yachts combines innovation and passion with talent, offering an unequalled sailing experience.

This year, the *Grand'Large* range counts with **a new daring 33'**:

DUFOUR | 335
Grand'Large

A suite of innovations for unique sailing sensations..

The new *Grand'Large* 335 gathers all the successful advantages of its big brother 375: SPACE, ERGONOMICS and COMFORT.

Designed for long cruising, it stands out by a surprising organization and comfort for a boat of this size.

An amazing creation, designed by Umberto FELCI for DUFOUR YACHTS, to be discovered exclusively on the fall boat shows.

AN UNCOMMON STYLE...

1. Daring and wide cockpit

DUFOUR YACHTS designed an extremely wide open cockpit for a boat of this size.

This open space is very functional and provides a lot of sailing emotions :

- Wide visibility
- Free movements on the roof:
 - No backstay
 - Shroud U-rings fixed outside of the hull / Low shroud u-rings fixed on the roof borders.
- Fast access inside the boat.

2. Easy maneuvering

The layouts of the deck and the cockpit were designed to facilitate handling and keep the pleasure of sailing.

- **Double steering wheels** reas box
- Articulated U-rings for different sheet positions.
- Genoa128° = easier tack.
- Asymmetrical spinnaker with boom sprit.
- Removable cockpit table with possible GPS like on our bigger boats (+ 50').
